

Year 3- Computing

E-Safety

Key Vocabulary

pledge	A promise that one makes.
digital citizen	Someone who uses technology safely and responsibly.
distraction	Something that keeps you from giving your full attention.
attention	Noticing something or someone as important.
private	Something that you should keep to yourself.
online	Using a computer, phone, or tablet to visit a website or app.
digital footprint	A record of what you do online, including the sites you visit and the things you share.
private information	Information about you that can be used to identify who you are.

Online Tips:

1. Ask an adult permission before going online.
2. Set a time limit.
3. Don't share your usernames and passwords.
4. Only talk to people that you know.

What information does Feet suggest NOT sharing online?

Private information

- | | |
|-----------------|----------------|
| 1. Full name | 4. Age |
| 2. Address | 5. Birthday |
| 3. Phone number | 6. School name |

Device Free Moments: Things to think about when using technology.

Safety: There are times when your safety or someone else's safety could be at risk.

Respect: There are times when it hurts other people's feelings if you are distracted and not paying attention to them.

Concentration: There are times when it hurts other people's feelings if you are distracted and not paying attention to them.

Sleep: There are quiet times, like when we are going to sleep, when devices should be put away.
