Data & Information: Flat File Databases Year 5
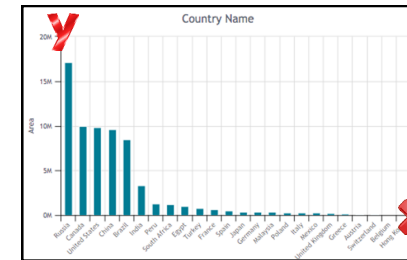

What should I already know?

- Graphs and charts show information—you will have seen this in maths and in science.
- The word "**attributes**" when learning about Sprites and Backgrounds in Scratch in Y3 Programming.
- That data can be collected and recorded over time.
- That data can be analysed and interpreted to answer questions.
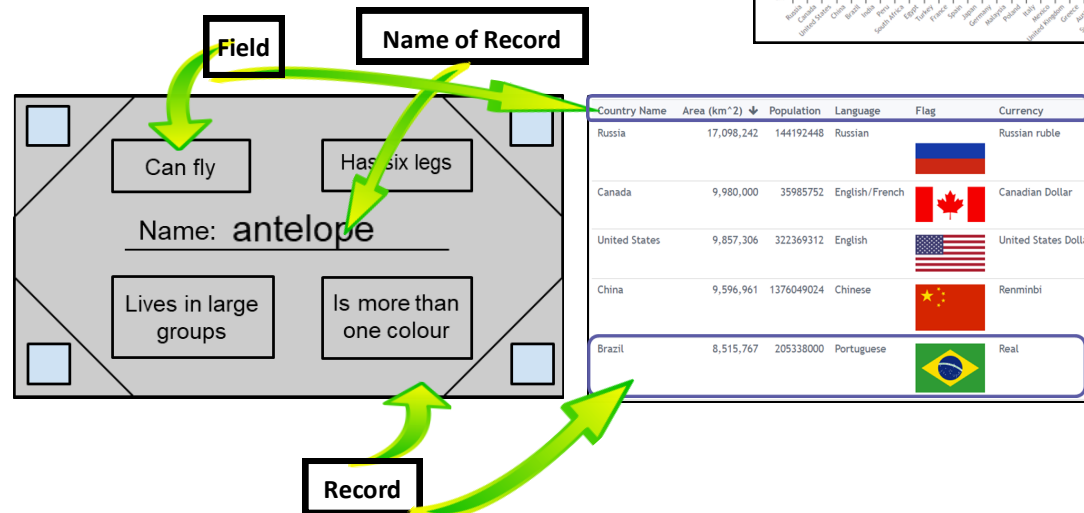

Key Concepts

Data

Evaluation

Country Name

Data VS Information

LVP FC

01394

01.04.22

Team_Acronym: LVP FC

Woodbridge code: 01394

Date of birth: 01.04.22

Database = a collection of organised data stored on a computer

Field

Name of Record

Can fly

Has six legs

Name: antelope

Lives in large groups

Is more than one colour

Record

Country Name	Area (km^2) ↓	Population	Language	Flag	Currency
