Numbers to 100 Bank

To form numbers like **21, 31, 41**, you combine the tens digit with “**et un**” (and one).

For example:

21 = “**vingt et un**”

31 = “**trente et un**” and so on.

For other numbers, you simply add the unit digit to the tens digit, for example 22 (“**vingt-deux**”), 36 (“**trente-six**”), and 43 (“**quarante-trois**”).
