1<sup>st</sup> September 2022

Dear Parents

I hope you and your family have enjoyed the summer break. I'm just writing to remind you of some changes this year.

### New Starting Time

School is open again on Monday 5<sup>th</sup> September. Please remember that we now have a new, earlier start time in the morning – gates will open at 8:30 and the register will be taken at 8:45. This means that all children need to be in their classrooms by 8:45 each morning otherwise they will be marked as late.

School will continue to finish at 3:15 (with gates open from 3:00)

### Uniform

Hopefully you all received an email last week which detailed information of a new school uniform provider that we are working with this year. This follows the government requirements for schools to offer at least two different uniform providers.

Can I remind you that all children need to wear all black footwear.

### Wraparound Club

The school will be working with a different wraparound provider this year. S4YC are a large, reputable provider who provide wraparound care in many local schools. This change has occurred due to Danni's club no longer operating a wraparound provision. Danni's club was the second small provider since the pandemic started that had to end provision in our school due to financial and staffing pressures. Hopefully working with a larger company will ensure that this club will be sustained for a longer time and so guarantee that we can continue to offer wraparound provision.

S4YC will be operating from 7:45-8:30 and 3:15-6:00 each school day. I must stress that they are a different business to the school – they hire our premises but are not operated by us. If you require slots with S4YC you must book via them and not via school.

Initially S4YC will be using Teacher Assistants from our school to staff the provision and this will transfer over to their staff in the very near future.

I look forward to seeing you next week

Yours Truly,

*K Manning*

Mr Manning
